Re: Chris S. and Tammy Promes
Case #X-89-00211-F

BARBARA A. BEAL, CLERK

Dear Miriam:

Enclosed is the writ of execution which we have prepared as per your instructions. I believe that all judgements bear interest from the date the judgements are entered at whatever the prevailing judgement rate happens to be. Accordingly, I included a provision in this writ of execution for interest from October 20, 1989 through the present. However, I do not know what the judgement rate is in federal court. Perhaps you could check on that.

In any event, please fill in your portion of writ of execution and the appropriate interest amount and return the same to me. I will be having the Carroll County Sheriff's Office serve this writ of execution rather than the United States Marshall. Please let me know if that practice presents a problem. Incidentally, if the Carroll County Sheriff recovers any money on this execution I'm assuming they would return the same to your office for further proceeding to enforce the judgement. Please let me know if my understanding on this is correct. Thank you for your assistance.

Yours very truly,

PAYER, HUNZIKER & COSSITT

Jim, I'm enclosing a rate table showing interest rates at time of the judgment. After you have filed in the computations, please return the Writ for the Clerk's signature and then we will return it to you for service.

Miriam
